UP-STATE VOTE GROWS

William S. Andrews of Onondaga was elected Judge of the Court of	Cannon, Soc 23,755
Appeals by a plurality of about 60,500 over his Democratic opponent, ex- Justice Townsend Scudder of Nassau county. This was the only Statewide	Banton, Dem

by a plurality of 261,978. He had big pluratities in all boroughs. The complete city vote was Scudder, 629,988, and Andrews, 368.010. Hezekiah Wilcox, Socialist, received 102,254 votes in the metropolis. The Scudder pluralities by boroughs in the city were New York county 76,117; The Bronx, Hopper, Ind. 18,627 Neary, Rep. 125,770 Cox. Dem. 18,627 Neary, Rep. 126,770 Cox. Dem. 18,627 Neary, Rep. 126,770 Cox. Dem. 18,627 Neary, Rep. 126,770 New York county 76,117; The Bronx, Rep. 126,770 Neary, Rep. 126,770 New York county 76,117; The Bronx, Rep. 126,770 New York county 76,117; The 53.424, Kings, 82,751; Queens, 29,130,

and Richmond, 16,553.

This big Democratic lead was more than offset by the Republican sweep in the counties north of the Bronx. Judge Andrews had a slightly larger percentage of the up-State vote than Mr. Scudder had of the New York vote and that small marging gave big the classic state.

The Andrews plurality up-State was approximately 321,500. This gave Judge Andrews his plurality for the entire State of 60,500.
There were some surprises up State. Syracuse elected a Democratic Mayor by 6,000 plurality, but stood by Judge Andrews, a native of that city, giving him 17,000. Erie county gave Andrews 34,000 and Monroe more than 15,000.

PREFERENCE LOSES; LITERACY TEST WINS

Latest Returns Indicate This Fate for Two of Proposed

amendment which appeared on the ballot as No. 1, giving civil service preference to war veterans. The city majority against the proposition was 228,788. All the five boroughs cast their ballots against it. Brooklyn's majority was 102,500. Returns from upstate indicated that without doubt the amendment had been defeated outside of the city.

Manhattan turned in a vote of 51,000 against the veteran preference proposal. The Bronx voted 41,000 against it, Queens 37,000 and Richmond 6,000. In Buffalo the majority against it was 13,000, and Monroe county turned in 6,000 against it. Similar votes were being reported from other sections, but it will be a day or two before the figures are compiled. Several counties reported majorities of from 1,000 to 2,000 for the amendment.

BONUS AMENDMENT ADOPTED IN OHIO Majority of 500,000 Registered for Compensation Act.

Amendments.

The veterans preference amendment appears to have been voted down, and amendment demanding a literacy test for voting may have been carried by a narrow margin, latest figures available last night indicated.

New York voted heavily against th mendment which appeared on the bal-

amendment.

There was more interest in this than in any of the other amendments and in some sections there was bitter feeling. It provided that soldlers, sailors and marines who had been honorably discharged and "who had served in time of war" should be given preference in all civil service appointment regardless of rank on the lists. All civil service employees were against it.

The scattered returns indicated that possibly the amendment known as the third and requiring that all persons must be able to read and writs to be qualified to vote may have been approved by the State, but by a narrow margin.

The four other amendments appeare the to have been beaten. The one proposing an increase in salaries of Senators and Assemblymen from \$1,500 to \$3,000 was swamped.

Buffalo gave a majority of \$05 to the proposal to require literacy test for voting and voted 20,000 against increasing salaries for the legislators.

voting and voted 20,000 against increasing selaries for the legislators.
Westchester county voted down the preference amendment, but approved the other five. Suffolk voted down Nos. 1 and 2, but approved the others. Niagara returned a vote of 4,000 against the veterans' preference.
